INTRODUCTION

Welcome to the Toledo Area Artists 72nd Annual Exhibition consisting of the best creative efforts of Toledo area artists. The show has been enthusiastically supported by the Toledo community for many years. The jury was impressed by the high quality of art in all media and they believe we have a balanced show.

I wish to express my thanks to all of the officers of the Federation and to the various committees for their time and effort in planning this exhibition. Each of the 15 member organizations has volunteered many hours of time, effort and planning to make this exhibition come to fruition.

The community has been generous in their contribution to help support this effort financially, and for that we are most grateful. I would like to thank Dr. David Steadman, Director of The Toledo Museum of Art, and Mr. Steve Frushour for his able assistance and guidance in the planning and installation of the Toledo Area Artists exhibition.

I sincerely hope that those who view the show will enjoy the creations of our area artists and, since many works are for sale, honor them with the purchase of their art.

Robert E. Martin
President
Toledo Federation of Art Societies
